

Dorsch®
your kitchen partner

About Us

Dorsch Home is a family owned company, which has been successful for many years in producing and supplying kitchen appliances and utensils to several countries worldwide.

Dorsch was first established back in 2013. The main purpose was to produce products that were a combination of elegant appearance, robust, sustainable material, and environmentally friendly for affordable prices. From the beginning, the aim and goal of the company has been to create value in the kitchen.

Nowadays, being healthy is one of the most important factors for customers, and as a result, we place healthy cooking at the top of our list, when we produce our products.

Dorsch wants to ensure that their customers know that they are choosing a product that has a strong focus on sustainability, being environmental friendly, and also ensuring healthy cooking. Kitchen appliances are something we use on a daily basis, and that is why we emphasize on the importance of a more sustainable everyday life with everything we develop.

When we are in the process of developing our products, we surely also focus on the other important aspects such as innovation, design, and technology. Together, we want to offer our customers unique kitchen products, made from the finest materials that comply with the German Equipment and Product Safety Act (**LFGA**).

Dorsch is today known for their popular pots and pans that are manufactured in cast aluminum and high-quality ceramic coating at very competitive prices. Our range includes pressure cookers, baking articles, knives, cutlery, kitchen utensils etc. Our wide range covers your overall needs in the kitchen, and gives you and your family a healthier lifestyle.

Our Vision

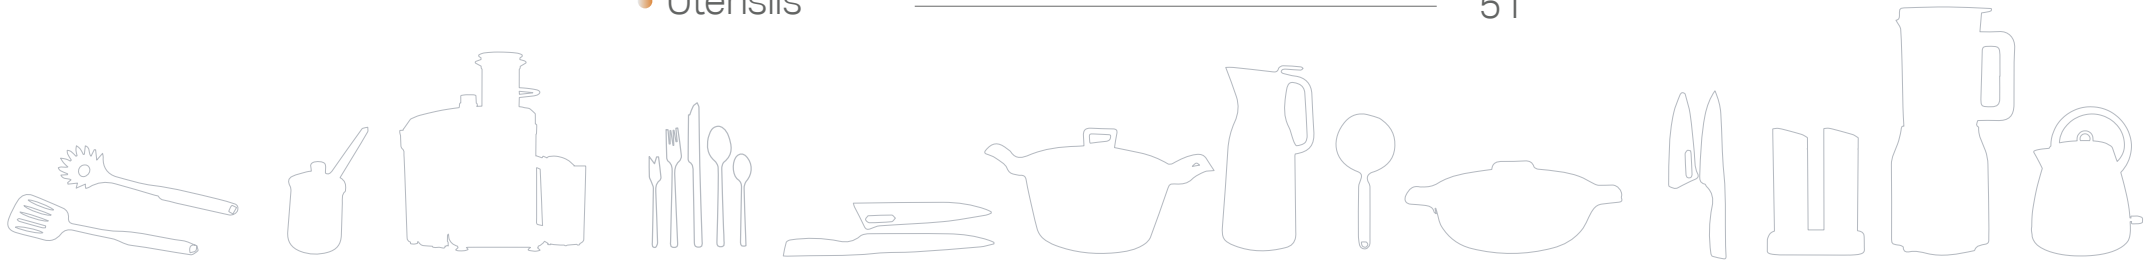

We want to be the leading supplier of pots and pans with a focus on sustainability, the environment, and healthy cooking.

Our Mission

To provide our customers with innovative kitchen appliances that make it easy to prepare a healthy meal and also to clean afterwards, which transforms cooking into a great experience.
